SECTION SF 30 BLOCK 14 CONTINUATION PAGE

SUMMARY OF CHANGES

1. SECTION K IS REVISED AS FOLLOWS:

CLAUSE 52.215-7 (ANNUAL REPRESENTATIVES AND CERTIFICATIONS) IS HEREBY DELETED IN ITS ENTIRETY.

2. THE FOLLOWING QUESTIONS AND ANSWERS ARE HEREBY INCORPORATED INTO THIS AMENDMENT.

1. As part of CLIN 0004 (CPFF price not to exceed \$200,000), CLIN 0008AA (CPFF price not to exceed \$100,000) and 0008AB (CPFF price not to exceed \$400,000). Do you require the submittal of labor costs, overhead rates and fees as a part of the proposal and if so, where should this information be placed?

NO - The Government does not require a cost breakdown on the Government specified Not to Exceed Clins

2. 3.7, Page 17, Documentation Data Rights: What is the meaning of "Demise of the Contractor"? If the company changes ownership or is purchased by another company it could be interpreted that the previous entity no longer exists. Please provide some clarification on this point.

"Demise of contractor" means that if the successful contractor or it's successor discontinues the production and/or support of the system being procured, the Government retains the right to procure the data from the contractor (or it successor) so that it can continue production and/or support for the life of the system.

3. 5252.202-9101 (1) & (2), Page 35: Are NIIN or NSN a problem for the submission of the proposal or participation in this contract?

Clause is provided for informational purposes only therefore, the lack of NIIN or NSN in no way restricts the submission of proposals or participation in the contract.

4. 52.215-7, Page 68, Annual Representations and Certifications:

Company (ABC) is a small business who has experience at the design, manufacture, and deliver of COTS Submunitions Clearance Systems to the U.S. Government at a firm fixed price. As of the date of the proposal due date, Company (ABC) will not have negotiated rates as this has never been a requirement for us in the past due to the FFP nature of our proposals. Company (ABC), understands that if the Government awards a contract to Company (ABC) it will be required to have approved rates and will work with DCAA/DCMA to reach this milestone. Will this prevent us from submitting a responsive bid to the Government? How do we complete Section 52.215-7?

Upon further review, clause is not applicable to this requirement and is therefore deleted in its entirety.

5. Amended delivery due date is now 27June03. Original states 16June03 at 0300 local. Does the "time" remain the same as the original or was the intent to have the delivery time limit be 3:00pm/15:00 hours?

The time remains the same. Proposals are due on 27 June 2003 by 3:00 or 15:00 hrs local time.

3. ANY QUESTIONS CONCERNING THIS AMENDMENT SHOULD BE DIRECTED TO GEORGIA WARDER AT 301-744-6679 OR VIA E-MAIL TO WARDERGA@IH.NAVY.MIL.
